Dental Office Manuals For Policy POLICY: While many dentists do not see themselves as an access site for victims of abuse, many injuries caused by abuse require dental work. Abusers may actually dismiss dentists as being attentive to this issue. Awareness of indicators and commitment to intervening may make the dental practice one of the safest access sites for a patient. Policies & Procedures Manual (Template) January 2015 Each manual section has separate policies and separate procedures. Policies should be easily accessible for OHCW reviewing.
