Engineering for Dummies - Snowflake Inc. I consider

this book to be very good for real dummies of

Engineering, like 1st and 2nd year students of

Engineering, but not so much for the rest of people: I

am in my fourth year of Software Engineering and I

have studied what this book teaches intensively and in much more detail. Even so, it is useful to listen over

and over things like the importance of good

requirements, testing and change ... Systems

Engineering For Dummies by Cathleen

Shamieh Dummies has always stood for taking on

complex concepts and making them easy to

understand. Dummies helps everyone be more

knowledgeable and confident in applying what they

know. Whether it's to pass that big test, qualify for that

big promotion or even master that cooking technique;

people who rely on dummies, rely on it to learn the

critical skills and relevant information necessary for ...
