Risk Regulation And Administrative Constitutionalism About Risk Regulation and Administrative Constitutionalism. Over the last decade the regulatory evaluation of environmental and public health risks has been one of the most legally controversial areas of contemporary government activity. Much of that debate has been understood as a conflict between those promoting 'scientific' approaches to risk evaluation and those promoting 'democratic' approaches. Risk Regulation and Administrative Constitutionalism ... Two different models of administrative constitutionalism have

dominated the legal discourse over risk regulation - the rational-instrumental and the deliberative constitutive. The book discusses these in detail and examines the legal implications of them in four case studies taken from four very different legal cultures, the US, UK, EC and WTO. Risk Regulation and Administrative Constitutionalism ... Anyone embarking on this type of research, whether empirical or normative, or on research involving the wider themes of institutional dynamics and legitimating discourses that shape regulation will find inspiration in the challenging tone and analytical richness of Risk Regulation and Administrative Constitutionalism. Risk Regulation and Administrative Constitutionalism ... In this book, Fisher

considers how administrative decision makers should assess environmental and public health risks (whether or not they are also setting standards for them) in a range of case studies including the Southwood Working Party on BSE in the UK, US risk regulation rulemaking in the 1970s, the precautionary principle in Australia, the STS Agreement under the WTO agreement and the application of the precautionary principles in the EU.
